

Central Wisconsin Health and Economic Development Summit
Building a Healthier Wisconsin: Developing and Measuring the Effectiveness of Partnerships between the Health and Community/Economic Development Sectors

Thank you for attending the Six-County Summit on August 11, 2015. As you know, this Summit will serve as a springboard for moving forward to build engagement and develop partnerships to positively affect the health and economic development of our communities.

We would like your thoughts about where we go from here. By completing the open-ended questions, you can direct Summit organizers toward specific needs and actions moving forward. *We suggest you complete this as the sessions take place so you can get your best thoughts and ideas down when the topic is fresh in your mind!*

Please be as specific as you can!

- e. Did the Summit provide you with information that will help you make connections or address priorities to improve our region? How?

Interest in Future Activities – Collective Impact Efforts

Moving forward, there are many roles to play; our first step will involve getting organized and setting an agenda (core team member work).

Please check the box that describes your interest in supporting our efforts going forward. Choose whichever best fits your interests and capacity (you may check more than one if you are interested). *NOTE: Your name will only be linked to the responses below and not to the information provided above.*

- Organizing/Core team member** – “I want to help develop the concepts and build on our progress today. I love turning ideas into a plan for action.”
- Action team member** – “I’m not interested in organizing, but in doing! I can support with resources, time, talent and expertise. Let me know what you need and where to get started!”
- Supporter** – “I am interested in the ideas, but do not want to be an organizer. I will tell others I know to get in touch; the more support, the stronger we can be!”
- Participant** – “I am interested in the ideas, but do not want to be an organizer. Keep me in mind and updated on any events and I will do my best to attend.”
- Cheerleader** – “I love that you are doing this, but do not see an active role for me. I will cheer on your progress!”
